2. An extension lecture was organized by eco club on the topic "Single Use Plastics Free and Zero Waste to Landfill Campus through Community Participation" on 4.03.2023. Dr. Naresh Bhardwaj an Environment Worker, Founder Director, Green Earth NGO Kurukshetra and working as Assistant Director, Punjab Government Chandigarh, was the main speaker. He motivated students to stop using single use plastic items as they create health hazards among the humans as well as for animals and these single use plastic items create environment pollution. He also motivated students to keep the college campus neat and clean by adopting proper methods of waste management. He gave practical knowledge of creating vermin-compost pits for disposing off biodegradable wastes. Sh. Naresh Nain, Dr. Manju, Dr.Rupa Gupta and Dr.Iqbal Kaur and 50 students were present in the extension lecture cum workshop.
